

OFFICIAL RULES AND MANUAL FOR NON-HAZARDOUS AND FREE OF CHARGE DRAW IN THE WIN APPLICATION

1st step: User Registration

In order you would to participate in this non-hazardous and free of charge „Draw,, about real money so user registration is essential in order our „system of draw,, could be select at random, under the same percentage chance and every single day only one winner. This means that our "system of draw" selects the winner from registered users, specifically from those who participate in the "Draw" on that day. Anyone who complies with our "T&C" (see „Business Terms and Conditions of the WIN Application,, paragraphs 4.1 to 4.2 and 6.1) and also the App Store´s age requirement may register. We require an e-mail address in the user registration. In case you lose your password, the automated e-mail will be send to you to this e-mail address and you can change your password. In second case if the participant becomes the winner, the automated congratulations and private winning e-mail or private winning e-mail notification is sent to this e-mail. Furthermore, the registrant fills his/her first name (may also be a surname) in the user registration. This personal information is not strictly necessary for us to be stated as a true, but it is better for us and the user as well and this personal information serves only to address the winner. This addressing to winner is in the automated private winning notification (mobile notification) and in the automated private winning e-mail notification. We recommend that you fill in this personal information, but everything is solely for the consideration of the registrant. Last but not least, the registrant fills his password, which he/she should remember and not to tell anyone. To complete the user registration, we require in order the registrant had to read „Business Terms and Conditions of the WIN Application,, either directly in the WIN application or on www.winlot.cz, both provided by WIN Lottery s.r.o., File No: C 37440, registered with the Regional Court in Hradec Králové, Place of Business: Na Drážce 1883, Bílé Předměstí, 530 03 Pardubice, Czech Republic, ID: 05240590. If the registrant agrees with that "T&C", the registrant can complete his/her user registration. User registration is free of charge and your personal data is processed in accordance with our Privacy Policy.

2nd step: Menu

After user registration is completed, the user is in the menu.

Here are 3 columns:

1) Watch Video (Get WIN Coin And Buy Free Ticket)

- This column is the most important for the user in order the user could participate in free of charge "Draw" in the WIN application. If the user chooses to draw free of charge, in his/her interest, after by clicking on this column, the user will watch the video ad for free. The user will receive a virtual currency called "WIN Coin" free of charge for that watching the video ad. After that the user can buy "Ticket" for that "WIN Coin" free of charge. If the user completes this process, the user is ranked among participants and can continue on the winning page. More at step 3.

2) Share WIN App (Facebook, Twitter...)

- This column is used to allow the user could share the WIN application on his/her social networks. We will be glad if you share us with your friends and acquaintances, and they also among theirs, in the good name of the WIN application and WIN Lottery s.r.o. as well. More participants = higher winnings which you can draw free of charge for. It is up to you, if you help us in this way and become a daily part of this non-hazardous and free of charge draw, in which will be draw for very satisfying winnings that you can win!

3) Support - Email Us

- The last column serves as a support for users who can contact us with any issue.

3rd step: Winning Page

After the last step of "Continue on the winning page", the user is ranked in non-hazardous and free of charge "Draw" about real money. The user did not pay in cash in any way, does not pay or won't pay for that "Draw". Everything is based on user's time and interest in participating in this "Draw". As we stated above, more participants = higher winnings which you can draw free of charge for, provided that you follow all 3 steps! On the winning page, the user can see previous winners and also the user can browse back further to past of winners. Here is also the user's profile where the user can complete his/her personal data after these 3 steps, which should be filled in the user's own interest, due to winnings. On the winning page, the user can also see the number of participants and winning amount "Prize". The number of participants is updated with the arrival of new participants and winning amount "Prize" is also updated in the shortest possible time. In the last case, there is the countdown time to until end of the draw, which is every single day, concretely at 0:00 Time zone [Prague (Czech Republic) GMT + 1, 0:00, CET] when the winner is selected, under the same percentage chance of "winning - reward" ("Prize") for each participant. The winning is sent to the winner during 1-3 months, usually in 2 months, to user's bank account, and only to those who have already pre-filled bank account number in their user's profile in the app. Or the user can fill it immediately after the user becomes a winner and the application will appeal the user to fill in it. However, if the winner does not do so instantly, the winning may not be sent during 1-3 months and it may be delayed. And if the winner does not do so in "Certain Period" (more in paragraph 6, point 6.2. „Business Terms and Conditions of the WIN Application,„) or at all, the winner may lose winning. In this case, it can not be claimed in any way whatsoever, more in our "T&C" in paragraph 6.1. - 6.3. (Conditions of use). In no case will not happen illicit abuse of users bank accounts. As we have already mentioned, all personal data of users are processed in accordance with the privacy policy, and as a company we are registered with the Office for Personal Data Protection in Czech Republic, registration number: 00070592.
